Rev. Robert Taylor Berry.

This gentleman was born in King George STANSBURY & BRO., county, 1812, and died in Winchester, at the residence of his youngest son, Mr. Holmes Ber-1y, last Friday about 5 a. m., after a short illness. For many years his health had been bad, but up to a few days before his death, he had seemed to be better than usual and was expecting with unusual confidence and interest to attend the meeting of his Syned in Alexandria this week. His remains were brought to this place last Friday evening, and were buried from the Presbyterian Church, Sunday, at the usual hour

of morning worship. In 1838 Mr. Berry, then recently license i to preach, was married to Miss Annie Frame daughter of Dr. Lee Griggs, of this place, who died some twenty years ago, leaving four young sons. Of these, one a notle young man, was killed on picket in Fairfax county, early in the war of 1961-5; the other three survive to mourn a tender father's less

Mr. Berry was a gentleman in an eminent sense—an accomplished gentleman of most engaging manner, of rare rocial and intellectual culture, of tender sensibility and true retinement, sincere cordial and trustworthy. He was a most highly esteemed minister of the Presbyt rian Church for about firty years, an excellent | Room and Cook Stoves, also Roofing, Guttering preacher, and had occupied important pulpits in Virginia and Mississippi. He had been pastor of the churches in Front Royal and Salem, in Virginia, Martinsburg, West Virginia, and Georgetown, D. C. Suffering from ill health for many years, and finally disabled, he had retired from the active ministry for some time, but was to the day of his death highly valued as a counsellor in all church matters. A large number of his ministerial brethren would have be n pleased to join in paying their tribute of respect to his memory on Sunday last, but most of them were prevented from doing so by duties in their own charges. Rev. J. A. Lefevre, D. D., of Fourth ward polls. Seals was discharged and Burnett required to give security to keep the co-Presbyter. The Rev. A. C. Hopkins, who preceded Dr. Lefevre in his remarks, also cloquently and fittingly oulogized the departed minister. A large congregation attested the turns from the liquor tax here are so small is was held in the community. Mr. Berry's lift the proximity of Washington and Georgetown. was for many years retired and quict, and his end was peace, -- Spirit af Jefferson

One of the most romantic episodes of the Russo Turkish war occurred last month during one of the bloody combats before Biela. As the Russian troops were falling back befere a dosperate onslaught of their enemies a young officer was seen behind one of the bat-COMMITTEE ON POOR .- The Committee on teries boldly encouraging his men to stand the Poor, of the City Council, met at the Au their ground. Again and again he rallied the ditor's effice this morning. The bids for fur-nishing supplies to the Alms House were dured. They fell on their knees and entreated opened, the contract for groceries awarded to him to fly, but it was of no avail, and at last Thomas Lannon, and that for meats to Oscar he stood alone among the dying and the dead, F. Baggett. The committee will meet again until a Turkish bullet pierced his heart. at the same place at half past eight o'clock on When the Turkssh commander, struck by the Friday merning, and proceed to the Alms youth's extraordinary gallantry, singled out that the young here was a woman. What strange secret compelled her to renounce the peaceful pursuits of her sex and since the peaceful pursuits of her sex, and give up her ATTORNEYS AND COUNSELLORS AT life in the storm of battle, remains untold.

THE "BONE AND SINEW" of our comptry have often-especially about election timebeen made the subject of landstion; but when those useful parts of the human structure become too visible in consequence of leanness they can scarcely be called graceful. The eye delights not to dwell upon angles and ridges in either man or woman. Moreover, extreme emaciation is a sign of imperfect digestion and consequent poverty of the blood. Both these evils are remedied by Hostetter's Stomach Bitters, which render digestion and assimilation certainties, in consequence of which the blood acquires richness and the body substance. Thus are the ceived notice yesterday that his bottled beer, hollow places filled up and the angles rounded made in this city, had taken the first premium off. Through the instrumentality of this peeror returns to the hollow cheek, the appetite improves, nervous symptoms vanish, and a healthful impetus is given to every vital fuzetion.
